P to consider this week as upcoming

Also use the blurbs I submitted last week and just change tense. I think I spoilt our asbestos to its own blurb.  
Thanks.

Nancy,  
Derrick has the PF blurbs updated from last week's report and an NPE blurb. Just to be clear, you want the points to consider in next week's report and not this week even though we are looking to post it June 13<sup>th</sup>?  
Thanks

Our outlook should be one week out.  
June 22 is too far away.  
Can we have hot topics that mention:  
The PFs and asbestos and NPE  
For next week let's do the points to consider.  
Thanks.
